VERTIGO 140CM

DESIGNER : CONSTANCE GUISETT

YEAR : 2010

2 YEARS WARRANTY

MATERIAL : POLYURETHANE, FIBERGLASS, STEEL

Edited by Petite Friture in 2010, the Vertigo pendant light is now an icon of contemporary design. With its ultra-light fiber glass structure, stretched with velvety polyurethane ribbons, this pendant lamp fascinates as it comes to life

swaying in the soft air currents that surround it. Vertigo is, in the words of its designer, a "den lamp". It is simultaneously ethereal and graphic, adapting to both large and small spaces where it creates its own intimate space.
